Brooklyn, NY 11201

Re: Viktorenkov v. The National Flood Insurance  
Program, W. Craig Fugate, Janet Napolitano  
Our File No. 2551.01  
14 CV 2635 (CBA) (RER)

Dear Judge Reyes:

We represent the plaintiff in the above entitled action. This letter will serve as the party's status report.

As a result of the property inspection by defendant's engineer, who determined that the building is not elevated, it was determined that the damages would be readjusted. As such plaintiff continues to compile the documents requested by defendant, which we hope to have shortly.

Respectfully submitted,

LAW OFFICE OF CRAIG A. BLUMBERG

By: 

Craig A. Blumberg (CB7166)
